7 Ralet Dimitrie St., apt. 15 Iasi
Romania

Student, Faculty of Automatic Control and Computer Engineering 3rd year, Iasi, Romania
(Accepted by the University of Bristol, in Aerospace Engineering, but forced to interrupt studies in UK to help my family in Romania).

Very passionate about **Web Development**, Front-End or Back-End

Experienced with:

1. **Java** Spring & Spring Boot(<https://github.com/alexandervonwl/BD> JDBC + SpringBoot + Thymeleaf)
2. **C#** (<https://github.com/gabitim/MovieRecommendationFE>) + Blazor
3. **nodeJS**(Express) (<https://github.com/alexandervonwl/MagazinVinSiCafea>)

Also these are the Front-End technologies I've worked with:

1. **JavaScript**
2. **HTML5, CSS, Bootstrap**

Good knowledge of WordPress: www.growdigital.ro

Interested in Computer Networks, Algorithmics & Data Structures.

Working experience includes:

Frarom International Est, data entry operator, June 2014 – August 2014

Capgemini, customer service for French language speakers.

Continental Romania, DevOps position – worked with Bash, Git &

Github, Scripting August 2018 – January 2019

Good communication skills in French and English.

High school education in French(francophone Baccalaureate) and Romanian, Iasi, Romania

IELTS Diploma

(**IELTS** is the high stakes English test for international study, migration and work.)

DELTA/DALF B2 Level [DELTA B2 is compulsory to follow studies in the **French** higher education.

DELTA B2 examination is based on level B2 of the CEFR
